Philips PowerPro
Bagless vacuum cleaner

Energy efficiency class A

PowerCyclone 5
TriActiveMax nozzle
EPA 12 filter

FC8769/19

Full performance

Less energy consumption

The new Philips PowerPro vacuum cleaner picks up more dust in one go, so your floor gets cleaner with fewer strokes.

Extra long reach for convenient cleaning
- More cleaning with less effort

Excellent cleaning results
- New 3-in-1 TriActiveMax nozzle maximizes dust pick-up
- Energy efficient motor for high-power results
- PowerCyclone 5 technology separates dust and air in one go
- Energy efficiency class A

Easy to clean
- Advanced dust container design for easy to emptying

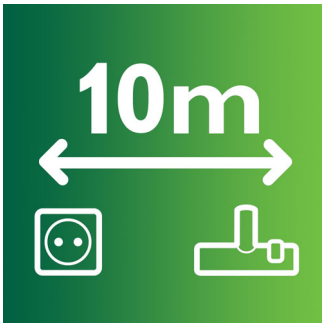
PHILIPS

Bagless vacuum cleaner
Energy efficiency class A PowerCyclone 5, TriActiveMax nozzle, EPA 12 filter

FC8769/19

Highlights

10 m action radius



10 m action radius for cleaning with less effort.

Easy to empty dust container

The dust container is perfectly designed to dispose dust without creating a dust cloud. Thanks to its unique shape and smooth surface, dust is collected at one side of the container and evenly glides into the dust bin.

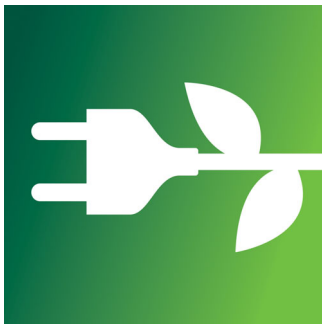
PowerCyclone 5 Technology

The PowerCyclone technology delivers best cleaning results in one go through 3 highly efficient steps: 1) Air enters fast into the PowerCyclone thanks to the straight and smooth air inlet. 2) The curved airpass quickly accelerates the air upwards in the cyclonic chamber. 3) At the top of the cyclone, the exit blades effectively cut out the dust from the air.

TriActiveMax nozzle

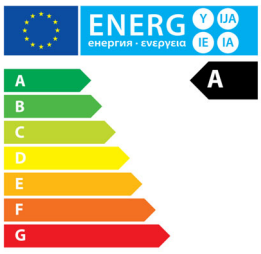
TriActiveMax nozzle with 3-in-1 cleaning actions perfectly seals to the floor to maximize dust pick-up. 1) It gently opens the carpet with its specially designed soleplate to remove the dust deep down. 2) It sucks up big bits with its larger opening at the front 3) It sweeps up the dust and dirt closely alongside furniture and walls with its two side brushes.

Energy efficient motor



Highly efficient motor uses less energy to generate airflow. In combination with the nozzle, it delivers top dust pick-up results.

Energy efficiency class A



This vacuum cleaner is engineered to achieve full performance with an energy efficiency class A.

Specifications

Performance
- Energy efficiency rating: A
- Annual energy consumption: 27.9 kW h
- Carpet cleaning class: D
- Hard floor cleaning class: C
- Dust re-emission class: B
- Sound power level: 76 dB
- Input power (IEC): 650 W
- Airflow (max): 22,9 l/s
- Vacuum (max): 16,8 kPa

Design
- Color: Deep black and green

Filtration
- Dust capacity: 2 l
- Exhaust filter: EPA 12 filter
- Motor filter: Double layer

Usability
- Action radius: 10 m
- Cord length: 7 m
- Tube type: Metal 2-piece telescopic tube
- Carrying handle: Top and front
- Tube coupling: Easy release
- Wheel type: Rubber
- Power control: Electronic on appliance

Nozzles and accessories
- Standard nozzle: TriActiveMax nozzle
- Accessories: Crevice tool, Small nozzle
- Accessory storage: On tubeclip

Weight and dimensions
- Weight of product: 5.5 kg
- Dimensions of product (LxWxH): 550 x 292 x 292 mm

Sustainability
- Packaging: > 90% recycled materials
- User manual: 100% recycled paper

Issue date 2014-12-16

Version: 1.0.1
